Annotation

* Tola: the unit of weight for calculating inland postal charges, equal to 11.66 grammes (corresponding to the weight of a rupee coin), or 0.4114 of an ounce.

**When sent Imperial Airways via Darwin as opposed to 3a rate (shipped Colombo to Perth by P & O).

***By air within USA as opposed to 6a rate (air to England leg only).

(...) = Additions to standard rates.

Shading

	Silver Jubilee denominations
	Rates achievable solely with Silver Jubilee denominations
	Rates achievable with complete Silver Jubilee sets x1

With the 1a, ½a and definitive 6a, this would have been sufficient for the inclusive ½ oz airmail rate to UK but, to Eire, would require 3½a and 6a air fee - hence the due mark for the 2a shortfall.
