	Silver Jubilee single denominations (other than covered by pairs)
	Silver Jubilee pair denominations
	Rates achievable solely with Silver Jubilee denominations
	Rate achievable with complete singles Silver Jubilee sets (other than covered by pairs)
	Rate achievable with complete pairs Silver Jubilee sets x1, x2

Here we have vertical pairs of 3d, 1d x2, ½d and a single 1d, (of which 4d worth is on the reverse and not cancelled), and definitive ½d x6 on an airmail cover to Simla.

The total of 1/3 covers the ½ oz air rate to India by routes other than that via Karachi (for which it was also endorsed), such as Delhi.
