Annotation

(...) = Additions to standard rates.

*= Per steamer to UK, thence by air

Note: Since airmail rates to most destinations have a different first half ounce fee to that of subsequent half ounces, the exceptions have the “per” in bold.

Shading

	Silver Jubilee denominations
	Rates achievable solely with Silver Jubilee denominations

On a registered cover to the U.K., the 2½d stamp represents 1½d for the first ounce empire rate, leaving 1d for registration, (as if for inland), rather than the 3d required for registration abroad but no postage due has been levied.
