### Albino Cayman - April 2019

Martin Hardgrave reports a double print on a Cayman Islands ½ d.

His colleague has done a remarkable job of capturing the albino impression on his iphone since the accompanying enlargements are only slightly enhanced.

Time to check your own examples?

### Bermuda 1½ d plate 7 - March 2019

As if to confirm this plate's use for the 1½d, the dot above the value tablet flaw, (Wv7.10/3) appeared on this stamp on a cover to India.

The postmark is that of Hamilton for 21 Sep 1935.

### Moroccan Airmails - March 2019

A note has been added to our Morocco Agencies French Zone postal rates table reflecting Nick Levinge's earlier observations regarding the French company's alternative air fees to France and onward to UK.

Ascension 1½ d plate 5 - February 2019

Noticed on a cover to Scotland was a 1½d value showing this diagonal stroke through the frame (Wv5.4/1) variety, confirming plate 5 for this denomination.

The cancellation was for 9 Jy 35.
